## Before You Begin:

You will need:

- Your Institution Code, Email, and Password
- A smartphone with camera to install the authenticator app.
- A separate device (computer, tablet) to log in and display the QR code.

Step 1: Get the App

Download an authenticator app (Google Authenticator, Microsoft Authenticator, etc.) on your phone.

Google Authenticator

Microsoft Authenticator

Step 2: Log In

Log in with your Institution Code, Email, and Password. Enter the One-Time Password (OTP) from your email.

AMLC Portal Login

- Institution Code
- Username/Email
- Password
